# INSTRUCTIONS – HOW TO COMPLETE A WRITTEN STATEMENT OF UNAUTHORIZED DEBIT

**Section I** of the Written Statement of Unauthorized Debit is for Consumer ACH debit entries only. This includes debit entries with Standard Entry Class (SEC) codes: ARC, BOC, POP, PPD, POS, RCK, TEL, WEB & IAT. **Section II** is for Corporate debit entries returned by the Corporate account holder using return reason code R29.

You must have a signed Written Statement of Unauthorized Debit on file before the entry is returned. You must send a copy to the Originating Depository Financial Institution within ten (10) banking days upon their request, provided such request is received within one year from the date the return was initiated. You must retain a copy of the signed Written Statement of Unauthorized Debit for one year from the settlement date of the return entry.

## STANDARD ENTRY CLASS (SEC) CODES

**ARC - Accounts Receivable Entry**  
**CCD – Corporate Credit or Debit**  
**POP - Point-of-Purchase Entry**  
**RCK - Re-Presented Check Entry**  
**WEB - Internet-Initiated Entry**

**BOC – Back Office Conversion**  
**PPD - Direct Payment Entry**  
**POS - Point of Sale Entry**  
**TEL - Telephone-Initiated Entry**  
**IAT – International ACH Transaction or Entry**

## WHEN THE CUSTOMER CONTACTS YOU, ASK THE FOLLOWING QUESTIONS:

- a) When did the entry post? (Make sure that it is within the last 60 calendar days or it may not be returned within the ACH network. If you are using the return entry R29 to return an entry posting to a Corporate account, you have only a 24-hour return time frame.)
- b) Is the entry amount familiar? (Sometimes the company name might be wrong.)
- c) Is there a check number by it?
- d) Did you write this check number out to anyone?
- e) Were you given your check back?
- f) Did you give anyone your account information over the phone?
- g) Did you order anything over the Internet?
- h) Did you sign an authorization for this company or this amount?
- i) Did you pay this company's bill by check? Did you receive notice that they would convert it to an electronic payment?

These questions will help you determine what type of an entry it is and how the authorization was obtained. You should also contact the operations department for verification of the SEC code used and the date of posting.

## NOTE:

- Customers cannot return entries as unauthorized if they don't like what they purchased. They need to work with the company directly to resolve disputes.
- If the customer has authorized a single entry check conversion (ARC, BOC or POP), they cannot revoke their authorization once the single entry has posted.
- If the account is a Corporate account and they wish to return the entry for return reason code R29 (Unauthorized), they must do so within 24 hours.
- If a consumer entry posts to a Corporate account, the consumer return rules and codes may be used along with **Section I** being completed.

## COMPLETING THE WSUD:

- If a Consumer account, you must fill out the top section of the form in its entirety. Then choose the appropriate reason the consumer wishes the entry to be returned. Be sure the consumer signs and dates the form. The form must be completed in its entirety prior to returning the entry.
- If a Corporate account, you must fill out the top section of the form in its entirety, then complete the information under Section II. Be sure an authorized individual representing the Corporate account signs and dates the form.
- The ACH Rules do not require that the Written Statement of Unauthorized Debit be notarized. This form may be placed on your Internet Banking site and authenticated by the customer.
